ABOUT US

K.L. Dugar Group is Nepal's foremost diversified business group tracing its roots back to 1893 with a formal establishment in 1989. The Group has diversified interests in FMCG, Cement and Mining, Electronics, Real Estate Development, Hydropower, Herbal Extraction, Banking, Insurance, and Reinsurance. With over 2,100 employees and 10,000 direct customers, K.L. Dugar Group touches lives across Nepal through its vast offering of market-leading, high-quality consumer products that enjoy the highest brand recognition amongst Nepalese consumers.

Its unfettered commitment to quality management and consumer satisfaction, its relentless pursuit of providing Nepalese consumers with globally competitive products and services are well recognized and accepted amongst K.L. Dugar Group's customers, firmly establishing it as one of Nepal's most trusted and valuable enterprises.

EDIBLE *Oil*

K.L. Dugar Group is Nepal's largest producer of edible oils. With its far-reaching and dense distribution channels, its brands like Dhara, Sunflow, Meizan, Swastik, Gyan and Bigul cater to a loyal and expansive customer base. Its quality control and wide range of products find themselves on the shelves of every Nepalese household. Its operations include the processing of Sunflower, Soyabean, Mustard, and Palm Oil, along with the trade of other edible oils like Corn, Sesame, and Coconut.

Rice

At K.L. Dugar Group, we take extra care to keep products as natural as possible. In our quest to provide you with wholesome goodness, our grains are sourced directly from the farmers. Our range of manufactured and imported grains of rice is of the highest globally competitive standards. We like to ensure that the nutrients in these grains remain intact and protected in our advanced Japanese processing and packaging facilities to provide you with the freshness of the fields in your homes.

Pulses

We at the K.L. Dugar group believe in the vigour of natural products and foster them for a healthy, happy, and balanced life. A remarkable journey into the branded pulses market started with the inauguration of our flagship brand Gyan. Due to the overwhelmingly positive response that Gyan received, we widened our offerings under a well-established label Aashirvaad. We boast of having a wide assortment of unpolished pulses imported from world-class farms in Canada, Myanmar, Australia and India. We also believe in supporting our community and produce pulses locally grown in Nepal. At Nepalgunj, we have installed a state-of-the-art facility to provide our customers with superior quality, organic, all-natural, and authentic products.

Spices

K.L. Dugar Group offers an enviable range of whole, pure, and blended spices to create a perfect culinary experience in any Nepali household. We source globally and process domestically, manufacturing a full line of spices, herbs, and seasonings with a keen focus on food safety and quality. The quality, freshness, and aroma of our spices are unmatched.

Our spices are handpicked from the best sources, sorted, and grounded through low temperatures under automated and hygienic conditions. We import the highest quality raw material and process, package and market them in Nepal. Our spices are indispensable across kitchens in Nepal.
